Front cover

2 June 2025. A heading text..... 2
3 June 2025. Another heading text..... 2
28-29 April 2025 A second heading paragraph..... 3
4 June 2025. A more complex heading text..... 3
5 June 2025. A different font heading..... 3

This index was generated as part of the pdf album, converted to png, the white background deleted, and then it was inserted here, as a demonstration.

In other words, it is **not** updated in place when you change something in the album. Only the regenerated index on the last page will be updated!

There's an issue for us to solve.

2 June 2025. A heading text

While this is just text

And this is more

3 June 2025. Another heading text

And this is more

4 June 2025. A more complex heading text

And this is more

While this is just text

28-29 April 2025
A second heading paragraph

5 June 2025.
A different font heading
